

## To reschedule games:

Contact person: Jeff Auker, WASA Field Coordinator

1. All reschedule requests must be sent to me via email ONLY. I respond only during weekdays during normal office hours and not on weekends and not from home. I do not take the schedules home either so do not call me at home as I cannot help you from home except to tell you to email me. For those of you who haven't been a rep before, this system works, so trust me.
2. I need to know what game is first being cancelled so please include team name, date, include the time, if a Saturday or Sunday game, and field name and number. Please advise me as soon as you know a game is to be rescheduled (even if no make up date is agreed upon) so I can open that field for someone else who may need a field on that day.
3. To reschedule a game it is most helpful for you and the other coach to have first established 2 or 3 dates as options and rank them according to preference before emailing me, and then I will assign you a field based on the options you have provided. It does no good for you to give me 1 date and then find out it is not open or the other coach can't make it that day. Establish the options first with the other coach. As the coordinator and a former coach, this works better and we probably only have to communicate one time.
4. When you email me, I will reply back by using REPLY not by a new email. I need you to do the same as well whenever you reply to me because it keeps our communications contained within and I can keep track of what we have been talking about better. With about 30 teams to schedule for I cannot know everyone by their email names or remember who they are associated with so using REPLY provides continuity if we have to go back and forth several times after the initial message.
5. Other programs use the fields besides select teams so understand that certain days at certain fields may be unavailable, such as Wednesdays, Fridays, and Sunday afternoons (before 5pm) at the Sports Complex. Certain days are booked at Highlands also. However, I can usually find you a field somewhere.

Please e-mail me at [jauker@talontitle.net](mailto:jauker@talontitle.net)

Thank you, Jeff Auker, WASA Field Coordinator.

### Flags for Highlands and Towers Parks

The home team must pick up flags and returns them to the house at 620 E. Walnut St. Be sure all of the flags are returned with the prong intact (sometimes they stick in the ground when you pull the flag stick up). On Saturdays, there usually are multiple games, so the 1pm game picks up flags, and the last game of the day returns them. HINT: if there is no team waiting to play after your team, you should return the flags yourself. Last year many games were played without flags at the field which is unfair to the other team, referees, and your own players ... so please assign this duty to someone on the team. NO NEED TO CALL FOR FLAGS -- THEY ARE ALWAYS OUTSIDE WAITING. Thank you, Jeff Auker.

### Flags for Metzger and Alum Creek Parks

The flags for Metzger ~~can~~ can be picked up at and returned to 671 Glacier Pass. They are kept outside for anytime pickup/return, 7 days a week

and Alum Creek

**To find referees:**

**Contact person:** Tom Conger, *MOSSL Referee Coordinator*

When looking for refs, please include the game date, location, age, gender, and specify that you need a center and/or side. You may e-mail me at [conger.1@osu.edu](mailto:conger.1@osu.edu). You are likely to get multiple e-mail replies. As a courtesy to our refs, please respond to all of the messages ... even to decline their offer.

Thank you, Tom Conger, MOSSL Referee Coordinator.

	U-9 SSG	U-9 & 10	U-11 &	U-13 &	U-15 &	U-17 - 19
Length of halves	25	25	30	35	40	45
Halftime interval	10	10	10	10	10	10
Ball size	4	4	4	5	5	5
Min. center referee pay	\$25.	\$20.	\$25.	\$25.	\$25.	\$30.
Min. Asst. Ref. pay	Club AB	\$15.	\$18.	\$18.	\$20.	\$20.
No. of players on field	6 v 6	8 v 8	11 v 11	11 v 11	11 v 11	11 v 11

REFEREES ARE TO BE PAID IN ACCORDANCE WITH MOSSL BY-LAWS. PLEASE PAY THE REFEREES PRIOR TO THE START OF THE CONTEST, IN CASH, AND WITH CORRECT AMOUNT OF FUNDS. REFEREES ARE NOT EXPECTED TO MAKE CHANGE.

*Drop this info it all changed and is now on MOSSL website*

**Closures, Parking, Good Neighbors**

WASA will post field closings or special notes related thereto on the MOSSL web site service set up for that purpose. All coaches and reps are encouraged to check the MOSSL field status section regularly especially if it has been raining. All teams are required to adhere to field closing notices or any special notes, such as staying out of goal areas after heavy rains. These are your field resources and it doesn't make any sense to tear them up for practices because it only detracts from your game conditions, especially after it dries out.

**PARKING:** Please advise all parents that parking violations at the Sports Complex will be enforced regardless of the weather, etc. There is **NO CURBSIDE PARKING**. All parking must be in marked spaces. Tickets have been and will continue to be handed out so this is your **WARNING**. Signs posting the no parking areas have been posted.

**GOOD NEIGHBOR POLICY:** WASA teams are expected to be good neighbors when using the parks. All trash should be picked up after every game. In addition, please respect the private property of the adjoining owners, especially at Highlands Park along fields 2, 3, and 4. Any grassy areas outside the walking path/bike path is essentially **PRIVATE PROPERTY** and teams are expected to stay out. Neighbor's fences are not backstops for ball kicking nor are their yards a player's personal port-a-potty. There are restrooms at each park to be used for such purposes. This all seems so obvious but every season we have complaints lodged by neighbors because of someone's lack of respect for the neighbor's property. Coaches and reps are expected to police their teams accordingly.
